Healthy Start Case Management Program

The Department of Health (DOH), is soliciting applications from qualified organizations to provide case management services for high risk pregnant and postpartum women and their infants to improve racial and ethnic disparities in infant mortality and adverse perinatal outcomes. Qualified applicants will develop and implement a case management program for the target population, to include care coordination, health education and promotion, comprehensive risk assessment and linkages to appropriate resources.

Up to \$1,500,000.00 will be made available for up to three awards. Funds are available for a program period of two years from April 1, 2015 through September 30, 2017, subject to the availability of funds. This funding is made available by District of Columbia Fiscal Year 2015 Budget Support Act of 2014.

The following entities are eligible to apply: not-for profit, public and private organizations located and licensed to conduct business within the District of Columbia with experience providing comprehensive preventive and obstetrical health services among populations at higher risk for poor perinatal and postnatal outcomes.
